The city's best restaurants and bars

New this week

Delicious intent Having secured a loyal following on the Upper East Side, the chef-owners behind Payard—Francois Payard and Philippe Bertineau—are heading south with **InTent**, a casual Mediterranean restaurant in Nolita. True to its name, the 60-seat dining room is located in an all-weather tent. Diners can watch pastry chef Eric Estrella prepare desserts, like red-wine-poached dates with feta cheesecake (pictured), in an open kitchen. 231 Mott St between Prince and Spring Sts (212-966-6310).—Cameron Levkoff
