GOOD LIVING

THE CITY'S SWEETS

PETITE GIFT BOX OR PANNIER, \$100, payard.com:

Uptown pastry maestro Francois Payard squeezes an awful lot of sinful treats into his gift boxes and baskets. The sweet tooth on your list will go weak at the knees rifling through boxes of ethereal "Masterpiece" chocolates, Grand Marnier truffles and milk chocolate-coated caramelized almonds. The collections also include Monsieur Payard's signature tea blend and quince jam, along with a sealed-in-a-can flourless chocolate cake.
